Dear Garv

I am writing to congratulate you on your selection as a Victorian representative member of the National Student Voice Council (NSVC).

The NSVC will be a mechanism for Education Ministers and students across Australia to engage in authentic discussions that will help inform policies and programs throughout the education system.

This is an important initiative that provides students with a unique opportunity to raise education policy issues of relevance to their peers across Australia for discussion with Education Ministers. Two virtual meetings with Education Ministers are planned for 2024, with the first intended to be in June or July. I am advised the NSVC Secretariat has provided you with information on how the NSVC members meet routinely to collaborate on and discuss ideas that they would like to raise with Education Ministers.

I look forward to hearing more about what is important to you and working together to elevate students' voices nationally and achieve positive outcomes for all Australian students.

Thank you for taking on this important role. If you have any further questions, please contact the NSVC Secretariat at nsv@det.nsw.edu.au.

Yours sincerely

The Hon. Ben Carroll MP
Deputy Premier
Minister for Education
Minister for Medical Research
